NSCA STUDIOS ASSESSMENT ACTIVITIES MAPPING

*Accreditation requires reporting on where Performance Criteria are **assessed** over a semester of student learning. Please show on this timeline those **assessment activities** that will relate to specific Performance Criteria. The Performance Criteria can be covered multiple times or with different emphasis. <u>All Performance Criteria must be covered at least once over the semester in NSCA studios.</u>*

Research and Context		Concept Design			Design Development			Detailed Resolution and Refinement					Other		
Brief Development	Site Analysis	Generation of Design Response	Legislation and Standards	Exploration of Design Ideas	Design Evaluation	Design Integration	Design Pragmatics	Communication	Spatial Planning	Structural Resolution	Overall Integration	Design Deliver
