

## Remote access (on personal computers) to computer software in ABP Labs

Links to advice regarding types of licences offered during the COVID 19 pandemic

The advice in this table has been compiled to help staff access licenses for the software that was available in ABP's computer labs. Staff may use this advice to advise students, but should also direct them to UoM IT advice on 'Software for Students'.

<https://studentit.unimelb.edu.au/study/software-for-students>. This table will be periodically updated (refer to Version number).

1) Visit <a href="#">online store</a> and select a product from the Educational Products section 2) Log in with university sign-in credentials or create account To create new account students will fill in a short form to prove their student status. 3) Proceed to checkout page and apply the promo code <b>(UNIMELB100OFF500)</b> 4) All students to use the promo code <b>must use their university email account.</b> 5) Students will get access to the same products they have access to at the university lab - V-Ray for 3ds Max and V-Ray for Rhino. Promo code will not apply the discount to any other products. Only one license per product can be obtained with the program. All additional subscriptions will be cancelled. 6) Upon order completion, students will receive a confirmation email with information about the products they have received. All licenses will be active until the situation with the COVID-19 resolves and things get	 V-Ray Next for 3ds Max 2020
